Scotland is a stunning country packed with beautiful buildings and scenery. You can experience this first-hand whilst making new friends along the way!

On our tour, you'll have the chance to visit famous landmarks, go shopping, see the sights, explore in your free time and enjoy some meals together.

On arrival day

You must arrive at the hostel before 18:00 on arrival day (20 October). The earliest check-in time at the hostel is 15:00. You cannot arrive after 18:00, so please do not book a flight to arrive after this time - and wait until we give you the go-ahead to book any flights. We'll let you know the hostel address nearer the time.

Sleeping arrangements

You should expect multi-bedded rooms at the hostel. You'll be sharing with other students, and sorry - you can't pick your own roommates! Linen will be provided, but remember to bring a towel and a toothbrush.

Meals during the tour

You'll receive breakfast and lunch on each full day of the tour, plus a welcome meal and dinner on the last night. On the other nights, you can explore and choose where to have dinner with your friends.

On departure day

You need to arrange your return travel during the morning (but not too early!) and the early afternoon on departure day (25 October). Your flight home should be no later than 17:00 - and again, wait until we give you the go-ahead to book any flights.

THE PRACTICAL STUFF

Signing up and payment

You can sign up at tours.interstudies.com or by going to our student app - or you can scan the QR code below!

When your place on the tour has been confirmed, you'll receive an email from us with a link to pay for the tour.

Remember that signing up and paying for the trip is binding, and we can't give you a refund if you cancel. A minimum number of students are required for the tour to go ahead - and if the tour is cancelled by InterStudies, you will receive a refund.

Travel and transport

Don't book your travel to and from the tour until we've given you the go-ahead.

You need to arrange your own travel to and from the tour, and by signing up for the tour, you take responsibility for this. If you're under 16, you might not be able to fly by yourself, in which case you'll need to book with a fellow student over 16.

Once you've booked your travel, let us know your arrangements.

Don't forget to take out travel insurance for the tour - that's really important!

Travelling overnight is not allowed, nor is staying overnight in a train station or airport. Very early or late flights aren't permitted, and make sure to consider your host family when booking flights.

Allergies and dietary requirements

Please let us know in advance if you have any allergies or dietary and medical requirements.

School

If the tour isn't during your school holidays, you need to ask for permission before signing up. If you need a letter from InterStudies to get permission from your school, just let us know!

What to pack

We will be outside quite a lot, and there will be lots of walking involved. Please bring warm, comfortable clothes, as well as a waterproof jacket and sensible shoes!

You should also remember:

- Your passport
- Toiletries
- Pocket money
- A towel
- A smile!
